

British Society for Neuroendocrinology Early Career Researcher Travel Grant

Deadline: 1 June 2024

Grant

Using generous sponsorship from Metofico (<https://www.metofico.com/>), to give travel money to support postgraduate students or post-doctoral research fellows within 10 years of gaining their PhD to attend the annual BSN meeting in Aberdeen.

Eligibility

Postgraduate students or post-doctoral research fellows within 10 years of gaining their PhD. Applicants must have been a member of the British Society for Neuroendocrinology (BSN) for at least 6 months. Join today: www.neuroendo.org.uk/join. Applicants who have already received an ESR travel grant (UK or non-UK) are eligible to apply but need to justify their request for additional support.

Activities the Fund will support

- Strictly for attendance at the 2024 BSN annual meeting in Aberdeen.
- You must be personally presenting your work at the conference and must submit your abstract with your application.
- You must have registered for the BSN meeting in Aberdeen.
- Awards are to support travel (not subsistence or accommodation) and receipts for these costs are required upon return.

Award value

Awards will be up to a maximum of £100.

Application form and deadlines

Apply via the MySociety portal on the BSN website neuroendo.org.uk. Please supply a breakdown of anticipated costs.

For all applicants a letter is required from your supervisor/grant holder as appropriate approving your application. Please note, without this letter from the supervisor/grant holder and an abstract, the application will not be considered.

Awards Committee

A subgroup of the BSN Committee chaired by the Grants Committee Chair will act as the Travel Awards Committee.

Award criteria

Priority will be given to, in order, 1) presenters, 2) those without funds. The committee reserve the right to decide on alternative funding criteria in exceptional circumstances.
